## BE A PHYSICIST THIS SUMMER!

Week 1: Join us for a fun-filled S.T.E.A.M. camp as we partner with GSK Science in the Summer and Siskiyou Works. The 'Be A Physicist' camp will focus on all things ENERGY! This camp will provide a range of benefits to help students unlock their creativity, build valuable life skills, and explore new interests.

Week 2: Mystery week - Get ready for an exciting week of different experiments, challenges, art and problem solving!
